SOUTHWEST FLORIDA INTERNATIONAL AIRPORT TO OFFER REMOTE PARKING THIS THANKSGIVING

FORT MYERS, Fla. (Oct. 30, 2026) – Southwest Florida International Airport (RSW) is offering passengers RSWRemote, a reserved and remote parking option located on the north side of the airport, this Thanksgiving. The RSWRemote parking lot will be open from Monday, Nov. 23 through Sunday, Nov. 29, 2026. The cost is a flat $60. The fee is non-refundable and cannot be used at any other airport parking location. You must reserve and prepay for a parking space prior to coming to the airport. Reservations can be made at rswremoteparking.com.

The Transportation Security Administration recommends getting to the airport at least two hours prior to your flight departure time for domestic flights and three hours for international flights. We recommend adding 30 more minutes to your travel time to use RSWRemote. Shuttles will operate from the remote lot to the terminal from 3 a.m. until 7 p.m. starting Nov. 23. On the return, shuttles will take parkers from the terminal to the RSWRemote lot from 8 a.m. until the last daily flight arrival on Nov. 29.

How It Works – 1) Reserve and prepay for your spot; 2) You will receive an email confirmation with a QR code; 3) Arrive at the RSWRemote lot and show the parking attendant your QR code; 4) Park your car and board the complimentary shuttle; 5) The shuttle will drop you off at the upper level (departures) terminal curb just prior to Door 1. 6) When you arrive back at RSW, you will take the shuttle to the RSWRemote lot from the same location where you were dropped off (upper level, prior to Door 1). Please look for shuttle signage.

The RSWRemote parking lot is located at 11861 Regional Lane, Fort Myers, FL, 33913, on the north side of the airport property in the Skyplex area. From Daniels Parkway (I-75 Exit 131), turn south onto Chamberlin Parkway. You can enter the Skyplex area from Daniels Parkway, Paul J. Doherty Parkway or Skyplex Blvd. Turn onto Regional Lane and follow signs to enter the RSWRemote parking lot. You will need to show the parking attendant your QR code for admittance to the lot. For questions or more information, please call ABM Parking at 239-768-1818 or email RSWParking@abm.com.

The Lee County Port Authority expects a busy Thanksgiving and still encourages travelers to consider alternative ways to get to the airport, like being dropped off by friends and family or using commercial transportation. If necessary, LCPA will post parking updates on the airport's website and Facebook to keep travelers informed on availability.

Southwest Florida International Airport served more than 11.1 million passengers in 2025 and is one of the top 50 U.S. airports for passenger traffic. For more information, visit flylcpa.com/parking/rswremote-parking/ or facebook.com/flyRSW.
